## PIVOVAR

Pivovar started out back in 2005 as a specialist beer importer, becoming the UK partner for the Czech family brewery Bernard and introducing their range of lagers into the UK. Founders Jamie Hawksworth & Jon Holdsworth found it difficult to sell to pubs in a market dominated by big brands, commodity beers and tied lines, so decided to do it themselves and opened their first pub, the much loved Pivni.

In the years that followed, Pivovar has flourished and their ever expanding range of venues have become a benchmark for excellence, where beer drinkers know they will receive a warm welcome and be able to choose from the best UK & international beers – in short, places that Jamie & Jon themselves want to drink.
